Peace Celebrations

A programme of sports, etc., has been arranged for Saturday afternoon, July 19th, the official date of the Celebration of Peace. The programme will consist of running and swimming races, etc. The Strathmore Brass Band will make its first official appearance, and probably there will also be a ball game pulled off.

Arrangements are being made to have a procession of the school children, prior to the sports, and an automobile parade. Everybody is invited to attend.

The sports will not be of an elaborate nature, being for the benefit of the children, who will also be treated to ice cream, etc.

Saturday being a Dominion Holiday, all stores and businesses must close.

Chautauqua July 24th - 30th

The big event of the month is the Dominion Chautauqua, which will take place at Strathmore from July 25th to 30th.

Chautauqua has been here on two different occasions and it is therefore unnecessary to say much in praise of it, it speaks for itself.

Programmes are being widely distributed, and can be had, with tickets, from any of the local stores, or any of the fifty-five members of the Committee, town and country, who appreciate Chautauqua so much that they guaranteed \$500, which represents 60 per cent. of the expenses.

The programme includes, on the musical side, the Canadian Overseas Orchestra, with Miss Ruth Leone Thompson, Liberty Belle, Section 2, Minnie Orchestra, Henry Dun, Tullio Trio, and the Craven Concert Company. All are artists of exceptional merit.

The lectures include: "Sarg, Major Robert Garrie, Australian Forces, who served a long term in Gallipoli and France, and will tell you what Australia is doing for her returned men"; "C. Cravath Webb, explorer in the West, China, Chinese statesmen and journalists"; "Fred Duke Wood, the most eloquent man in America"; "Sunar Singh, a charming Syrian lady, who will speak of her own country and its customs"; "Mitsunaka Toshi Yamasato, who will speak on "Japan and her International Problems," a subject of enthralling interest at the present day.

The price of a season ticket for the whole week is only \$3.00, so that, even though you cannot attend all the performances it will be cheaper for you to purchase a season than to pay single admission every time. Chautauqua is not a money maker for anyone. The lectures and artists are all connected with the organization, are all on salary. The funds necessary to keep the organization in being are financed by the guarantees of local committees, such as is being done here. Chautauqua is enlightening and inspiring, and it will do us all good to go there for a week, and have the veil lifted from corners of the world that we have never known of before, besides the privilege of enjoying good music, etc.

An enjoyable dance was given by the orchestra on Friday evening.

Strathmore Brass Band will be making a public appearance very shortly. They have been holding some fine practices, and are running into very good shape.

A son was born to Mr. and Mrs. Van Buren on the 14th inst.

A peculiar coincidence, Dr. Girvin was called out on Saturday to three cases, all of which proved to be of children being injured by horses. Two of them, Iris Loblaw, and the son of J. Carruthers, Blind Creek, were quite serious, they having been kicked in the head. The other case was the daughter of Mr. Haines, Cranston, but the injuries in this case were light.

John Mendelsohn, who was severely injured in a motor cycle accident several weeks ago is getting along well, though the work in his foot has been taken out. The machine struck a post while turning a corner, and his foot got jammed. He had only purchased the machine the previous day.

The spell of drought was broken during the week end by two showers, one lasting about an hour on Saturday and a shorter shower on Sunday evening. Between the two, according to observers from the C.P.R., 20 of an inch of rain fell. The crops have improved visibly as a result, and with more rain dry land crops in most cases will pull through. Crops irrigated within the last week are not looking fine. Irrigation is still being continued.

Local Jottings

Private H. Offer, brother of Mrs. Clarence Reed, arrived back last week, and is now living with his sister and brother-in-law at Redlands.

Calgary Earl, the pacer belonging to Fred Roe, Chesley, established a record for the mile at the Edmonton Exhibition last week, doing the distance in 2.08 1/2.

President Wood, of the U.F.A., will address a meeting at Kootenay on Saturday July 19th, at 2.30 p.m. Farmers from Strathmore, Nightingale, Carleton Place, Rockyford and other points throughout the district should do their utmost to attend.

Mr. A. B. Clow was the delegate from Medicine Hat to the G.W.V.A. Convention at Vancouver last week. Mr. Clow was at one time engaged in business here as a lawyer. He enlisted early in the war in the Scottish Horse and saw considerable fighting. He had the misfortune to lose all his brothers during the war. He wishes to be remembered to his many friends in Strathmore.

Constable Volk returned last week from the Dominion Convention of the G.W.V.A. at Vancouver where he represented Strathmore Local. He reports that the Convention has done much to help along the cause of the returned soldier, and that developments regarding the bonus, etc., may be looked for shortly.

Mr. Julien, who has a farm east of town, went down to the States last week, and returned in double harness.

Mr. W. G. Way, Secretary of M.D. Bow Valley, has left on a well-earned holiday to his parents' home in Manitoba.

Fire broken out on Thursday morning about 8 o'clock in a building at the rear of Mr. B. B. Garrett's residence on Third St., used for storeroom, washhouse, etc. The fire broke out promptly on hand, also the C.F.R. fire engine, and with the aid of a number of willing volunteers, it was subdued. The interior of the building, was, however, gutted, and valuable contents destroyed.

Hugh Williams and Pat Murphy, two of the "lithos" who used to live up Strathmore a few years ago, and who have been overseas with Canadian forces, were in town during the week end, and are likely to start up in the restaurant business shortly. Both should make good, as they have had the advantage of several Army cooking courses.

Orange Meeting

On Wednesday evening of last week there was a special meeting of the local Orange Lodge at which a number of distinguished Calgary brothers, including Past Master Andy Davidson, county master E. H. Bagnall, Prof. Davis, Mr. L. A. Dr. Francis, M. McNeil and Rev. S. B. Hillecke, and some fifteen Glendon brothers with their Master T. W. Bates were present. The chief business of the meeting was the admission of seven new members to the lodge. At the conclusion of the business session the members adjourned to the lunch room and partook of the good things provided after which several of the visiting brethren delivered short addresses that were thoroughly appreciated.

French Favored

Cause Of Jews

Asked That Conditions of Absolute Equality Be Granted Jews in New or Enlarged States

Paris, M. Pichon, foreign minister, replying to a communication from members of the chamber of deputies asking information as to the attitude of France in the peace conference with regard to the Jews of Poland, Rumania and other countries, declared that, from the beginning of the conference, the French government endeavored to secure consideration of the Jewish question and had asked that conditions of absolute equality be granted Jews in new or enlarged states. These efforts, M. Pichon says, resulted in the treaty already signed by Poland guaranteeing complete liberty and equality to Jews in political and religious matters.

Now, How Did That Happen?

When Harry was out walking with his father that night, he caught sight of a note in a shop window which displayed the words "Lost, half Persian cat, under red ribbon." An Open Verdict

No Proof That Police Fired Fatal Shot in Winnipeg

Winnipeg.—That the St. Paul's fatal shot to his death during a riot on Saturday, June 21, at the result of a bullet passing through the heart, fired by some person unknown, was the verdict of the coroner's jury sitting on the case. The verdict adds that the evidence showed that a number of shots were fired by rioters and there was nothing to indicate that the shot which killed Sokolowski was fired by the police.

John MacKenzie, Editor

ROCKYFORD NEWS

Mr and Mrs McEeachen paid a visit to Calgary on Monday.

Raymond Weiss has returned to his home town looking hale and hearty.

The Fair in Calgary was a great success and almost everybody in the district visited the Fair for a day or so.

Miss McIntyre, of the staff of the Canadian Bank of Commerce spent week-end visiting in Calgary with her parents.

Mr H. Dixon, our new waiter in the White Restaurant is doing wonders. Some waiter. He can prove it by his badge (he belongs to the union.)

Did you ever hear anybody say it rained pitch fork handles and nigger babies. Well let it come we need it.

Ambrose Wise is building himself a beautiful home on the place he purchased north of Rosebud, which will soon be ready for habitation.

Did you notice the little stranger getting off the train. You'll find her at the Crystal, ready to dish you some ice cream.

Oh boy, ain't it a grand and glorious feeling, when your wife is home again. Our barber is a happy man again. Mrs. Johnson is getting along fine.

Tuesday certainly was a dead day in Rockyford; most people left for Standard to take in the picnic and the big dance. The only excitement was the runaway of Mitchell's team.

Miss Edith Avery, our local school teacher left for her home in B.C. after being presented with a writ watch by the citizens as appreciation for the work during the term.

Hurray for Rockyford Baseball team! Keep at it boys—their way to do it. Our boys played Standard a return game and beat them 1-0 in favor of Rockyford. Keep on boys and you will have your picture in the Rockyford Reporter.

The Rockyford Trading Co changed hands last week when Mr. Sangster of Rosebud purchased the business formerly managed by Enright and Lizzotte and intends to carry on both stores in Rockyford and Rosebud.

What was the matter with Sybil? Did the horses treat your old Ford kind of rough? We heard that something had happened to it anyhow and caused severe and painful injuries to the old boat. We wonder whether you talked a little faster and what the words were. Well Sydney, you can expect anything in this man's country.

The members of the U.F.A. are reminded that it is unfair to waste their Secretary's time with abortive meetings, and it is up to the members to attend the meetings and be earnest in their desire to do their best for themselves and the Community as an endeavor should be made to attend the meeting.

Each abortive meeting is so much waste time to those who attend, and it is up to the members to remember that time spent is as valuable to the one as to the other. Unless some endeavor is made to attend, advertisement will require to be made for another Secretary.
